The screenshot displays a web browser window with multiple tabs open. The active tab is the website for Avantha Institute of Engineering & Technology, specifically the Research page. The browser's address bar shows the URL www.aietta.ac.in/research.php. The website header includes the institute's name, accreditation logos (AICTE, Govt. of AP, JNTU-K), and a navigation menu with options like HOME, ABOUT US, DEPARTMENTS, RESEARCH, FACILITIES, PLACEMENTS, EXAMS, ACTIVITIES, and a CONTACT US button. The main content area features a banner image of graduation caps with the word "Research" overlaid. Below the banner, a breadcrumb trail reads "Home > Research >". The page title is "Research", and the main text states "Stated Code of Ethics to check malpractices and plagiarism in Research". A link to <http://turnitin.com> is provided with the text "Click here". The Windows taskbar at the bottom shows various application icons and the system clock indicating 18:00 on 06-07-2018.
