MEMORANDUM OF UNDERSTANDING**Department of Electronics and Communication Engineering**
JUNE 2012

This Memorandum of Understanding is being entered into on the below mentioned date between:

MATCHWELL TECHNOLOGY SOLUTIONS AND AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY - DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a) This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b) This MOU shall be valid till **Six Months** from the date of signing the MOU or duration to teach for each batch shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c) Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.
- d) The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e) The attendance of the students will be the responsibility of the second party. i.e. Avanthi institute of engineering and technology.

- f) **MATCHWELL TECHNOLOGY SOLUTIONS** is in no way related to placements and is solely responsible for the training only for the students to clear the placement exams.

2. MUTUAL OBLIGATION

- a) This collaboration shall not be exclusive to both the parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner to make any claim.
- b) **MATCHWELL TECHNOLOGY SOLUTIONS** is training partner for Avanathi Institute Of Engineering And Technology with respect to campus recruitment training for B.tech 3rd & 4th year students.
- c) Each party shall respect the others intellectual property (ip) and shall not use any trade name, trade mark, symbol or designation belonging to the other, without prior written approval. No party shall hold out as an agent or representative of the other or create any liability for the other.

3. LIMITATIONS AND WARRANTIES

- a) Each party shall ensure that it is not put any liability for any actions of one party.
- b) Each party represent that they have the full power and authority to enter into this MOU in general.

4. GENERAL

- a) Both the parties will designate a representative from its side who will be primary point of contact on behalf of that party.
- b) Both the parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other
- c) Any dispute under this MOU will be settled in Visakhapatnam through arbitration, if necessary

In witness where both the parties have set their hands to this MOU on the 2nd July 2012 at Avanathi Institute of Engineering and Technology, vizianagaram.

5. PURPOSE/SCOPE OF THE COLLABORATION:

YEAR	ACTIVITIES	NO. OF HOURS
3 rd B.TECH	TANNER TOOLS	45 HOURS
4 th B.TECH	XILINX APPLICATIONS	30 HOURS

Matchwell Technology Solutions i.e. First party will undertake a total of 45 Hours of TANNER TOOLS & 30 HOURS of XILINX APPLICATIONS training for ECE branch of B,tch 3rd & 4th year students of second party, for which the methodology of training is as stated below.

METHODOLOGY OF TRAINING PROGRAM:

FOR 3RD YEAR:

A. phase 1:

1. **Duration:** TANNER TOOLS training classes divided into phases or spells of one week i.e.,45 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 4 as their will be 4 batches with 18 students in each batch
3. Covering all topics of
 1. Front End Design with Tanner S-Edit Schematic Capture
 2. Analog Simulation with Tanner T-Spice Simulation & Tanner Waveform Viewer
 3. IC Layout with Tanner L-Edit IC Layout
 4. Schematic Driven Layout, DRC, & Netlist Extraction
 5. Node Highlighting & LVS

B. Phase2:

1. Schematic Driven Layout, DRC, & Netlist Extraction
2. Node Highlighting & LVS

FOR 4th YEAR:

Requirements:

Basic Idea of Programming
Familiarity with digital logic design
Hardware Design Basics
Basic Idea of Logic Simulation

A. phase 1:

1. **Duration:** XILINX APPLICATIONS training classes divided into phases or spells of one week i.e.,30 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 4 as their will be 4 batches with 17 students in each batch
3. Covering all topics of
 - I. Fully integrate speech recognition and touch-tone
 - II. Understand user practices and expectations and design every facet of IVR programming
 - III. Divide your project into phases for quick turnaround and lower risk
 - IV. Design a customer-focused IVR that really works

- V. Manage your Voice response test team and test procedures
- VI. Mix simple IVR menus with natural language and directed dialogues for maximum coverage and minimum errors
- VII. Create early demonstrations for testing and evaluation
- VIII. Benchmark your existing touch-tone or speech recognition capabilities against competitors
- IX. Migrate to speech recognition when needed
- X. Understand current views on social media and IVR

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training =Rs 2200 /-per each 3rd year student (two thousand two hundred only) and charges for training =Rs 1750 /-per each 4th year student one hundred fifty only)
2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **Matchwell Technology Solutions**. Payable at Vishakhapatnam..
3. 30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials with in a week of the first payment 30% of the total payable amount at the completion of 50% training. Final 40% will be paid on the completion of the training.
4. The payments should be made promptly on the promised dates or earlier without any delay as the modules are planned basing on these finances and the classes can be suspended by the first party in the case of non-payment of dues on time. the payment for the training done will be calculated based on the percentage of classes taken and the same outstanding amount is to be paid by the college **Matchwell Technology Solutions**
5. Number of 3rd year students are 70 & 4th year students are 66
6. Feedback will be taken and payment will be released by **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** only if students are happy with the training. If the students are not happy, **Matchwell Technology Solutions**, Should repeat the topics.
7. Termination of contract:

- A. this contract will be terminated based on the consensus of both parties.
- B. if the contract is terminated, payment due for hours worked must be paid to the first party .i.e. training provider **MATCHWELL TECHNOLOGY SOLUTIONS**
- C. Any delay of provision of training or any delay in payment as per the agreed terms will attract mutual agreeable penalty and outstanding amount is to be paid by the college to the **MATCHWELL TECHNOLOGY SOLUTIONS** according to the percentage of classes completed.

Looking forward to a long-lasting relationship with your college.

5. PURPOSE/SCOPE OF THE COLLABORATION:

YEAR	ACTIVITIES	NO. OF HOURS
1 st M.TECH	SPEECH PROCESSING USING TMS320XX	24 HOURS
3 rd B.TECH	MENTOR GRAPHICS	46 HOURS

Matchwell Technology Solutions..i.e.First party will undertake a total of 24 Hours of SPEECH PROCESSING USING TMS320XX & 46 HOURS of MENTOR GRAPHICS training for ECE branch of 1st year M.Tech & B.tech 3rd year students of second party, for which the methodology of training is as stated below.

METHODOLOGY OF TRAINING PROGRAM:

FOR 1st YEAR M.tech:

A. phase:

1. **Duration:** SPEECH PROCESSING USING TMS320XX training classes divided into single phases or spells of one week i.e., 24 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 1 as there will be 1 batches with 8 students in each batch
3. Covering all topics of
 1. Fundamentals of Speech Recognition
 2. Basic Signal Processing for Speech Recognition
 3. Acoustic Modeling and Labeling
 4. Common Algorithms for Language Modeling
 5. Decoding Acoustic Features into Speech

FOR 3RD YEAR:

A. phase:

1. **Duration:** MENTOR GRAPHICS training classes divided into single phases or spells of one week i.e., 46 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 4 as there will be 4 batches with 18 students in each batch
3. Covering all topics of
 1. OVM to UVM Transition
 2. SystemVerilog Open Verification Methodology
 3. SystemVerilog Open Verification Methodology Advanced
 4. Verilog Fundamentals for SystemVerilo

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training = Rs 1475 /- per each 1st year M.Tech student (fourteen hundred seventy five only) and charges for training = Rs 2350 /- per each 3rd year student (two thousand Three hundred fifty only)

2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **Matchwell Technology Solutions**. Payable at Vishakhapatnam..
3. 30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials within a week of the first payment 30% of the total payable amount at the completion of 50% training. Final 40% will be paid on the completion of the training.
4. B. Phase2:

1. SOFCON helps in moderating vitality by executing different vitality effective projects for streamlined execution of the systems

FOR 4th YEAR:

A. Phase 1:

Requirements:

Basic Idea of Programming

Familiarity with digital logic design

Hardware Design Basics

Basic Idea of Logic Simulation

A. Phase 1:

1. **Duration: XILINX APPLICATIONS** training classes divided into phases or spells of one week i.e., 34 hours at 1 hour of training each day from Monday to Saturday.

2. The number of trainers will be 4 as there will be 4 batches with 18 students in each batch

3. Covering all topics of

1. Introduction and Basic Design with Verilog

2. Conditional Statement in Verilog

B. Phase2:

1. Simulating Verilog Code with Test fixture

2. Creating PROM File from ISE Design Suit and Uploading to FPGA

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below

a. charges for training = Rs 2250 /-per each 3rd year student (two thousand two hundred fifty only) and charges for training = Rs 1750 /-per each 4th year student (seventeen hundred fifty only)

2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **TECK TEAM Solutions**. Payable at Vishakhapatnam..

b) Both the parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other

c) Any dispute under this MOU will be settled in Visakhapatnam through arbitration, if necessary

In witness where both the parties have set their hands to this MOU on the 20th DEC 2013 at Avanthi Institute of Engineering and Technology, vizianagaram.

5. PURPOSE/SCOPE OF THE COLLABORATION:

YEAR	ACTIVITIES	NO. OF HOURS
1 st M.TECH	COMPUTER NETWORKING SECURITY	33 HOURS
3 rd B.TECH	TANNER TOOLS	40 HOURS

TECK TEAM SOLUTIONS..i.e. First party will undertake a total of **33 Hours** of **COMPUTER NETWORKING SECURITY** & **40 HOURS** of **TANNER TOOLS** training for ECE branch of 1st year M.Tech & B,tech 3rd year students of second party, for which the methodology of training is as stated below.

METHODOLOGY OF TRAINING PROGRAM:

FOR 1st YEAR M.tech:

A. Phase:

1. **Duration:** **COMPUTER NETWORKING SECURITY** training classes divided into single phases or spells of one week i.e.,33 hours at 1 hour of training each day from Monday to Saturday.

2. The number of trainers will be 1 as their will be 1 batches with 17 students in each batch

3. Covering all topics of

1. Comprehend principles of Auditing

2. Comprehend Law and Information Security

3. Comprehend Information Security Frameworks, Governance, and Standards 61

4. Audit Tools and Techniques
5. Audit Cisco Security Solutions
6. Comprehend Policy, Compliance, and Management
7. Comprehend Infrastructure Security
8. Comprehend Perimeter Intrusion Prevention
9. Manage Access Control
10. Secure Remote Access

FOR 3RD YEAR:

A. phase 1:

1. **Duration:** TANNER TOOLS training classes divided into phases or spells of one week i.e.40 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 5 as their will be 5 batches with 28 students in each batch
3. Covering all topics of
 1. Front End Design with Tanner S-Edit Schematic Capture
 2. Analog Simulation with Tanner T-Spice Simulation & Tanner Waveform Viewer
 3. IC Layout with Tanner L-Edit IC Layout
 4. Schematic Driven Layout, DRC, & Netlist Extraction
 5. Node Highlighting & LVS

B. Phase2:

1. Schematic Driven Layout, DRC, & Netlist Extraction
2. Node Highlighting & LVS

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training =Rs 1800 /-per each 1st year M.tech student (eighteen hundred only) and charges for training =Rs2250 /-per each 3rd year student (two thousand two hundred fifty only)
2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **TECK TEAM SOLUTIONS**. Payable at Vishakhapatnam..

3.30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials within a week of the first payment 30% of the total payable amount at the completion of 50% training. Final 40% will be paid on the completion of the training.

4. The payments should be made promptly on the promised dates or earlier without any delay as the modules are planned basing on these finances and the classes can be suspended by the first party in the case of non-payment of dues on time. the payment for the training done will be calculated based on the percentage of classes taken and the same outstanding amount is to be paid by the college **TECK TEAM SOLUTIONS**

5. Number of B.tech 3rd year students are 137 & M.Tech 1st year students are 17

6. Feedback will be taken and payment will be released by **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** only if students are happy with the training. If the students are not happy, **TECK TEAM SOLUTIONS**, Should repeat the topics.

7. Termination of contract:

A. this contract will be terminated based on the consensus of both parties.

B. if the contract is terminated, payment due for hours worked must be paid to the first party .i.e. training provider **TECK TEAM SOLUTIONS**

C. Any delay of provision of training or any delay in payment as per the agreed terms will attract mutual agreeable penalty and outstanding amount is to be paid by the college to the **TECK TEAM SOLUTIONS** according to the percentage of classes completed.

Looking forward to a long-lasting relationship with your college.

MEMORANDUM OF UNDERSTANDING

Department of Electronics and Communication Engineering
JULY 2014

This Memorandum of Understanding is being entered into on the below mentioned date between:

TECK TEAM SOLUTIONS AND AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY - DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a. This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b. This MOU shall be valid till **Six Months** from the date of signing the MOU or duration to teach for each batch shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c. Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.

- d. The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e. The attendance of the students will be the responsibility of the second party.i.e. Avanthi institute of engineering and technology.
- f. **TECK TEAM SOLUTIONS** is in no way related to placements and is solely responsible for the training only for the students to clear the placement exams.

2. MUTUAL OBLIGATION

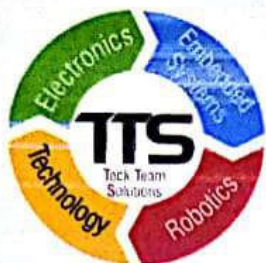

- a) This collaboration shall not be exclusive to both the parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner to make any claim.
- b) **TECK TEAM SOLUTIONS** is training partner for avanthi institute of engineering and technology with respect to campus recruitment training for B.tech 3rd & 4th year students.
- c) Each party shall respect the others intellectual property (ip) and shall not use any trade name, trade mark, symbol or designation belonging to the other, without prior written approval. No party shall hold out as an agent or representative of the other or create any liability for the other.

3. LIMITATIONS AND WARRANTIES

- a) Each party shall ensure that it is not put any liability for any actions of one party.
- b) Each party represent that they have the full power and authority to enter into this MOU in general.

4. GENERAL

- a) Both the parties will designate a representative from its side who will be primary point of contact on behalf of that party.

MEMORANDUM OF UNDERSTANDING**Department of Electronics and Communication Engineering
DECEMBER 2015**

This Memorandum of Understanding is being entered into on the below mentioned date between:

MATCHWELL TECHNOLOGY SOLUTIONS AND AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY - DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a) This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b) This MOU shall be valid till **Six Months** from the date of signing the MOU or duration to teach for each batch shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c) Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.
- d) The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e) The attendance of the students will be the responsibility of the second party.i.e. Avanthi institute of engineering and technology.

- f) **MATCHWELL TECHNOLOGY SOLUTIONS** is in no way related to placements and is solely responsible for the training only for the students to clear the placement exams.

2. MUTUAL OBLIGATION

- a) This collaboration shall not be exclusive to both the parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner to make any claim.
- b) **MATCHWELL TECHNOLOGY SOLUTIONS** is training partner for avanthi institute of engineering and technology with respect to campus recruitment training for 1st year M.Tech & B,tech 3rd year students.
- c) Each party shall respect the others intellectual property (ip) and shall not use any trade name, trade mark, symbol or designation belonging to the other, without prior written approval. No party shall hold out as an agent or representative of the other or create any liability for the other.

3. LIMITATIONS AND WARRANTIES

- a) Each party shall ensure that it is not put any liability for any actions of one party.
- b) Each party represent that they have the full power and authority to enter into this MOU in general.

4. GENERAL

- a) Both the parties will designate a representative from its side who will be primary point of contact on behalf of that party.
- b) Both the parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other
- c) Any dispute under this MOU will be settled in Visakhapatnam through arbitration, if necessary

In witness where both the parties have set their hands to this MOU on the 11TH DEC 2015 at Avanthi Institute of Engineering and Technology, vizianagaram.

5. PURPOSE/SCOPE OF THE COLLABORATION:

YEAR	ACTIVITIES	NO. OF HOURS
1 st M.TECH	MENTOR GRAPHICS	46 HOURS
3 rd B.TECH	TANNER TOOLS	45 HOURS

Matchwell Technology Solutions..i.e.First party will undertake a total of 46 Hours of MENTOR GRAPHICS & 45 HOURS of TANNER TOOLS training for ECE branch of 1st year M.Tech & B.tech 3rd year students of second party, for which the methodology of training is as stated below.

METHODOLOGY OF TRAINING PROGRAM:

FOR 1st YEAR M.tech:

A. phase:

1. **Duration:** MENTOR GRAPHICS training classes divided into single phases or spells of one week i.e., 46 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 1 as their will be 1 batches with 17 students in each batch
3. Covering all topics of
 1. Architect Gate Level Schematic and Eldo Simulation
 2. Architect Transistor Level Schematic and Eldo Simulation
 3. ModelSim HDL Simulation
 4. Leonardo Spectrum HDL Synthesis and ModelSim Simulation
 5. IC Station Layout
 6. IC Station / Design Architect / Calibre / Eldo Layout Simulation

FOR 3RD YEAR:

A. phase:

A. phase 1:

1. **Duration:** TANNER TOOLS training classes divided into phases or spells of one week i.e., 45 hours at 1 hour of training each day from Monday to Saturday.
2. The number of trainers will be 4 as their will be 4 batches with 22 students in each batch
3. Covering all topics of
 1. Front End Design with Tanner S-Edit Schematic Capture
 2. Analog Simulation with Tanner T-Spice Simulation & Tanner Waveform Viewer
 3. IC Layout with Tanner L-Edit IC Layout
 4. Schematic Driven Layout, DRC, & Netlist Extraction
 5. Node Highlighting & LVS

B. Phase2:

1. Schematic Driven Layout, DRC, & Netlist Extraction
2. Node Highlighting & LVS

6. PAYMENT TERMS: Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training =Rs 2350 /-per each 1st year M.tech student (two thousand Three hundred fifty only) and charges for training =Rs 2200 /-per each 3rd year student (two thousand two hundred only)
2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **Matchwell Technology Solutions**. Payable at Vishakhapatnam..
- 3.30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials with in a week of the first payment 30% of the total payable amount at the completion of 50% training. Final 40% will be paid on the completion of the training.
- 4.The payments should be made promptly on the promised dates or earlier without any delay as the modules are planned basing on these finances and the classes can be suspended by the first party in the case of non-payment of dues on time. the payment for the training done will be calculated based on the percentage of classes taken and the same outstanding amount is to be paid by the college **Matchwell Technology Solutions**
5. Number of B.tech 3rd year students are 85 & M.Tech 1st year students are 17
6. Feedback will be taken and payment will be released by **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** only if students are happy with the training. If the students are not happy, Matchwell Technology Solutions Should repeat the topics.
7. Termination of contract:
 - A. this contract will be terminated based on the consensus of both parties.
 - B.if the contract is terminated, payment due for hours worked must be paid to the first party .i.e. training provider **MATCHWELL TECHNOLOGY SOLUTIONS**

C.Any delay of provision of training or any delay in payment as per the agreed terms will attract mutual agreeable penalty and outstanding amount is to be paid by the college to the **MATCHWELL TECHNOLOGY SOLUTIONS** according to the percentage of classes completed.

Looking forward to a long-lasting relationship with your college.

ENGINEERING AND
TECHNOLOGY**

PRINCIPAL
AVANTHI INSTITUTE OF ENGG. & TECH.
Cherukupally (V), Chittivalasa (SAO)
Bhogapuram (M),
Vizianagaram (Dist.)-531 163

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS

and

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY - EEE Dept.

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUK, Vizianagaram located at Vill: Cherukupally, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,
2. Whereas M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS, located at **Fourth Floor, Rednam Regency, Diamond park, Dwaraka Nagar , Visakhapatnam**. MTS Technologies Ltd sets its pace in developing the Human Capital by providing Knowledge Management Services to its clients. This is certainly a challenge requiring a great capacity of infrastructure and industrial growth to facilitate change to take firm roots of growth. The vital component to meet the requirement is Talent i.e., Human Talent. The performance and growth is dependent on Talent Management which is possesses by components: Knowledge, Technology, Business and Life Skills. Our effort

is to enhance the skills through training systems implemented by us. The courses include Matlab (30 Hours), PCB design (20 Hours), Renewable energy sources (25 Hours), PLC SCADA (45 Hours)

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.
4. Both **AIET** and **M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.
5. It is the intent of the **CEO of M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS** and the **Principal of AIET**, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.
6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Mini Project and Main Project will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –**Avanthi Institute Engineering and Technology, Cherukupally, Bhogapuram Mandal, Vizianagaram District** and **M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS**, , put their respective endorsement on this Memorandum of Understanding on this 25th of July ,2014 to 24th of July,2019.

Vizianagaram (Dist.)-5311 163
Avanthi Instt, of Engg. & Tech.

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS

and

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY - EEE Dept.

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUK, Vizianagaram located at Vill: Cherukupally, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,
2. Whereas M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS, located at **Fourth Floor, Rednam Regency, Diamond park, Dwaraka Nagar , Visakhapatnam**. MTS Technologies Ltd sets its pace in developing the Human Capital by providing Knowledge Management Services to its clients. This is certainly a challenge requiring a great capacity of infrastructure and industrial growth to facilitate change to take firm roots of growth. The vital component to meet the requirement is Talent i.e., Human Talent. The performance and growth is dependent on Talent Management which is possesses by components: Knowledge, Technology, Business and Life Skills. Our effort

is to enhance the skills through training systems implemented by us. The courses include Matlab (30 Hours), PCB design (20 Hours) ,Embedded Systems (30 Hours), PLC SCADA (45 Hours)

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.
4. Both AIET and M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.
5. It is the intent of the CEO of M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS and the Principal of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.
6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Mini Project and Main Project will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –**Avanthi Institute Engineering and Technology, Cherukupally, Bhogapuram Mandal, Vizianagaram District** and **M/s MATCHWELL TECHNOLOGY DRIVEN SOLUTIONS**, , put their respective endorsement on this Memorandum of Understanding on this 25th of July ,2011 to 24th of July,2014.

2. The number of trainers will be 2 as their will be one batch per day with 40 students in each batch
3. Covering all topics of
 - I. CATIA, ANSYS and CFD related to Mechanical Engineering in the aspect of future scope and placement.
 - II. Training Exercises for practice.

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training =75% of Market Rate per student(25% less than the Market Fee)
2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **Millennium Software Solutions**, payable at Vishakhapatnam.
- 3.30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials within a week of the first payment 30% of the total payable amount at the completion of 50% training. Final 40% will be paid on the completion of the training.
4. The payments should be made promptly on the promised dates or earlier without any delay as the modules are planned basing on these finances and the classes can be suspended by the first party in the case of non-payment of dues on time. the payment for the training done will be

S2, 2nd Floor, Rednam Estate,

MEMORANDUM OF UNDERSTANDING

Department of Mechanical Engineering
June 2013

This Memorandum of Understanding is being entered into on the below mentioned date between:

**TRIUMPHANT INSTITUTE OF MANAGEMENT EDUCATION AND AVANTHI INSTITUTE
OF ENGINEERING AND TECHNOLOGY - DEPARTMENT OF MECHANICAL
ENGINEERING**

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

1. Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a. This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b. This MOU shall be valid till one year from the date of signing the MOU or duration to teach 40 hours for each batch and each party shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c. Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.
- d. The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e. The attendance of the students will be the responsibility of the second party i.e., Avanthi institute of engineering and technology.

Address: 50-58-15,

MEMORANDUM OF UNDERSTANDING

Department of Mechanical Engineering
June 2015

This Memorandum of Understanding is being entered into on the below mentioned date between:

**TRIUMPHANT INSTITUTE OF MANAGEMENT EDUCATION AND AVANTHI INSTITUTE
OF ENGINEERING AND TECHNOLOGY - DEPARTMENT OF MECHANICAL
ENGINEERING**

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

1. Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a. This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b. This MOU shall be valid till one year from the date of signing the MOU or duration to teach 60 hours for each batch and each party shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c. Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.
- d. The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e. The attendance of the students will be the responsibility of the second party i.e., Avanthi institute of engineering and technology.

In witness where both the parties have set their hands to this MOU on the 20th July, 2016 at
Avanthi Institute of Engineering and Technology, Vizianagaram.

5. PURPOSE/SCOPE OF THE COLLABORATION:

NDT Consultancy & Training Centre i.e., First party will undertake a total of **18 Hours** of **Quality Control Techniques, Quality Evaluation Methods in Industries** for MECH branch of B. Tech 3rd & 4th year students of second party, for which the methodology of training is as stated below.

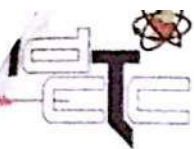

Methodology of training program:

- 1. Duration:** Understand concepts beyond syllabus and training classes divided into phases or spells of one week i.e., 18 hours at 3 hour of training each day from Monday to Saturday, as per the Time Table.
- 2.** The number of trainers will be 4 as their will be one batch per day with 60 students in each batch
- 3.** Covering all topics of
 - I. Quality Control Techniques, Quality Evaluation Methods in Industries related to Mechanical Engineering in the aspect of future scope and placement.
 - II. Practical's.

6. PAYMENT TERMS:

Training services by the first party shall be compensated by second party under the following terms and conditions

1. Training charges would be calculated on per student basis which is calculated as below
 - a. charges for training = 80% of Market Rate per student (80% less than the Market Fee)
2. Payment will be provided in all forms either as a DD / cheque/cash made out in favour of **NDT Consultancy & Training Centre**, payable at Vishakhapatnam.
3. 30% of the total amount payable shall be paid upfront as an advance amount prior to the commencement of the training program and we shall deliver materials within a week of the

MEMORANDUM OF UNDERSTANDING

Department of Mechanical Engineering

October 2016

This Memorandum of Understanding is being entered into on the below mentioned date between:

**BENCHMARK ENGINEERING SOLUTIONS AND AVANTHI INSTITUTE OF ENGINEERING
AND TECHNOLOGY - DEPARTMENT OF MECHANICAL ENGINEERING**

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled. These MOUs benefit the faculty of AIET to deliver world class education required for the students at present and also for the future. MOUs with companies provide opportunities to have nexus with the industry for research programmes, projects and student internships.

1. Whereas the Institute affiliated to JNTUK, Vizianagaram located at: Cherukupally Village, Bhogapuram Mandal, Vizianagaram District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

Terms and conditions:

1. NATURE OF RELATIONSHIP

- a. This MOU is for collaboration between both parties, for mutual benefit, for many purposes to enhance the quality of the education experience for students of the college.
- b. This MOU shall be valid till one year from the date of signing the MOU or duration to teach 90 hours for each batch and each party shall be at full liberty to terminate the collaboration with a notice period of one month and valid reason.
- c. Both parties shall take all responsible steps to ensure successful completion of collaboration and cooperate with each other duly carrying out the obligation agreed upon.
- d. The second party shall provide all necessary facilities such as infrastructure, network and internet access required for education and training as the training is conducted in the college.
- e. The attendance of the students will be the responsibility of the second party i.e., Avanthi institute of engineering and technology.
