4.1.3 ICT enabled class rooms and tools utilization for effective teaching-learning process

The use of information and communication technologies in today's Institutions is becoming more important. ICT curriculum and development are used by **Avanathi institute of Engineering and Technology** in order to bridge the gap in terms of communication and technical advancement.

- **Projectors**
- **Computer & laptops**
- **Headsets**
- **Printers**
- **Scanner**
- **Photo Copier Machines**
- **CD/ DVD**
- **Guidance cell**
- **Online classes through zoom**

ICT Tools Reports

Projectors

In order to facilitate efficient instruction of the various topics, projectors have been installed in both the lecture halls and the seminar rooms as well as the laboratories. They are used for seminars and presentations by the students and for technical events during FDPs, workshops, guest lectures, etc.

CD/DVD

CDs and DVDs are being maintained for the project reports submitted by the UG and PG students. The software's of all the labs are maintained for the use of students.

Guidance cell

Training and Placement Cell is to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the industry.

- To assist students to develop/clarify their academic and career interests, and their short and long-term goals through individual counselling and group sessions
- Maintaining and regularly updating the database of students. Maintaining database of companies and establishing strategic links for campus recruitments.
- Gathering information about job fairs and all relevant recruitment advertisements.
- Coordinating with companies to learn about their requirements and recruitment procedures
- Identifying the needs and expectations of the companies to assist them in recruiting most suitable candidates.
- Organizing pre-placement training/workshops/seminars for students.
- Arranging periodic meetings with Human Resources Department of companies and TPO's to promote recruitments.
- To assist students for industrial training at the end of the fourth and sixth semester.
- To provide resources and activities to facilitate the career planning process.
- To act as a link between students, alumni, and the employment community.
- To assist students in obtaining placement in reputed companies.
