This is to certify that **BANDARU MANOHAR** has completed his/her internship on **TOTAL STATION** at **BENCH MARK Engineering Solutions**, from 14/02/2022 to 28/02/2022.

The following topics were covered during the intern:

- Components of total station.
- Capabilities of total station.
- Working principle of the total station in surveying.
- Types of Surveying Instruments.
- Customer Benefits of using a total station.
- Uses and Applications of a total station

We wish him/her all the best for his/her career.
