## **Institutional Strategic Plan**

### **Preamble**

Avanti Educational Society was founded in 1991 by M. Srinivasa Rao as the chairperson, from which Avanti Institute of Engineering and Technology was established in 2005. Over the past 13 years, Avanti Institute of Engineering and Technology has been engaged in providing quality education for the future generations of engineers. AIET was started with four B. Tech programs (ECE, CSE, EEE, Mech) with an intake 240, today it has emerged as a leading institution in the state with an intake of 828 students in five (CSE, ECE, EEE, Civil and Mech) Undergraduate programs, five M.Tech programs (CSE, VLSI Design, Power Systems, CAD-CAM, Power Electronics) and MBA. With an unparalleled infrastructure and state-of-art facilities, outstanding academic results and achievements in sports and NSS (1 Units) we are positioned as a college of choice for the students to weave their engineering dreams into reality. The institution is NAAC accredited with of 3.00 on four-point scale at “B<sup>++</sup>” grade valid up to 26-09-2023, and is permanently affiliated to JNTUK, Kakinada and is now one among the Best Engineering colleges in Andhra Pradesh. Our academic excellence has been the cornerstone of our reputation, our students and graduates are recognized and valued for their integrity, commitment, ethical behavior and leadership qualities.

Its In-House training and placement department (TPC) trains the students in a distinguished methodology for both on and off campus placement activities. Career Guidance Cell (CGC) Supplements information that helps and guide the students for their future careers. Entrepreneurship Development Cell (EDC) organizes activities to turn the students into successful Entrepreneurs.

Industry Institute Interaction Cell (IIC) injects the practical exposure and congenial relationship with industry for which it signed 20 MOUs with the best institutions including companies like Infosys, TCS, Amazon, PEGA etc.

Avanti Institute of Engineering and Technology (AIET) has progressed so fast because of visionary patronage, committed leadership, hard work and community and Industry partnerships. These achievements are a testament to the fortitude of every faculty and staff member who enabled change at a pace never experienced before. The campus setting, learning environment and the vibrant community all contribute to an exceptional academic environment that gives AIET much to celebrate and build upon.

## Strategic Plan

To facilitate continued excellence and leadership in our mission, this Strategic Plan has been developed as a guide envisioning our future priorities. Aligned with the Institute’s Mission, this Strategic Plan defines the objectives and strategies that will build towards the goals outlined.

AIET College Academic and Advisory Committee (CAA) were constituted in 2018 with key Institute leaders and faculty representatives. The CAA prepared a draft strategy document with a vision, mission, goals and action items. The planning process started with a brainstorming session by a team of faculty members, focus group meetings with students, discussions in department faculty meetings and alumni inputs. The participants were grouped and completed an extensive SWOT analysis on the state-of-art of Avanathi Institute of Engineering and Technology. The PDC team developed ideas on the major goals, objectives and strategies. Suggestions and feedback were invited from all stakeholders: Parents, Faculty, Staff, Students, Alumni and Industry. The recommendations from all its stakeholders were consolidated as six major goals. Six groups of subcommittees reviewed the objectives and strategies and completed the draft plan. Finally, the draft plan was presented to the AIET GB members, Chairman, Principal, Director, professors and all HoDs, Professors and faculty for feedback and for fine tuning. After incorporating the suggestions and feedback, the Strategic Plan 2018-2023 has been finalized.
