The IQAC organized a webinar on "NEP 2020: Transforming Education" for the faculty members of all the departments on 7.10.2023 from 3 PM to 6 PM at the Conference hall.

Dr. Gandhi Satyanarayana, IQAC coordinator started the session by addressing the faculty members and by giving a brief introduction about the speaker.

- Dr. S. Sankar, a seasoned and versatile personality with 44 years of service in the cause of Education.
- Served as Chairman Board of Studies in English, Krishna University, Member of Academic Senate, IQAC member of various colleges in Andhra Pradesh.
- Peer Team Member of NAAC
- Resource person for various workshops /webinars

A renowned speaker with a lot of experience in giving lectures on various topics including Teaching methodologies, Academic & Administrative audit, Multi-disciplinary education, IPR, etc., highlighted the importance of NEP 2020 in the present era .

Speaking on the occasion Dr. S.Sankar said that-

The National Education Policy 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the aspirational goals of 21st century education, including the aspects for building upon India's traditions and value systems.

Speaking on the topic, the speaker stated that the New Educational Policy helps to empower and re-

establish teachers, at all levels, as the most respected and essential members of our society, because they truly shape our next generation of citizens. He further expressed that the New Education Policy supports to recruit the very best and brightest to enter the teaching profession at all levels, by ensuring livelihood, respect, dignity, and autonomy, while also instilling in the system basic methods of quality control and accountability.

Dr. S. Sankar explained that the New Education Policy 2020 emphasizes on Experiential learning in all stages, including hands-on learning, arts-integrated and sports-integrated education, with explorations of relations among different subjects. To close the gap in achievement of learning outcomes, classroom transactions will shift, towards competency-based learning and education.

Dr. S. Sankar apprised that the NEP 2020 provides support for Gifted Students/Students with Special Talents. He added, there are innate talents in every student, which must be discovered, nurtured, fostered, and developed. The NEP 2020 provides umpteen opportunities for these talents to express themselves in the form of varying interests, dispositions, and capacities.

Further, the speaker stressed the importance of Outcome Based Education which is the true essence of education to transform India into a Knowledge Economy. The speaker spoke at length on topics of great importance mentioned in NEP 2020 including:

Importance of Quality Education

Holistic and Multi-disciplinary learning

Academia-Industry interactions

Institutional Restructuring and Consolidation

Revamping curriculum, pedagogy, assessment and student support

Equity and Inclusion in Higher Education

Interactive learning

Sustainable development

Online/Digital Education

Increase Employment potential
